RE: Public Records Act Request

Dear Mr. Ng:

This letter is in timely response to the above-referenced request, dated July 29, 2019, which the City of Chula Vista received on the same date.

You requested public records pursuant to the California Public Records Act (CPRA) (Cal. Gov. Code section 6250 *et seq.*) Specifically, you asked for:

- Email communications between Raymond Pollum, Ring's head of law enforcement partnerships, and the Chula Vista police department.
- Communications among the Chula Vista police department related to Ring and the Neighbors app.

The City has responsive records. Please see the attached for a recently executed Neighbors by Ring Memorandum of Understanding and emails. Personal contact information, signatures and investigative information were redacted because they are exempt from disclosure pursuant to the California Constitution, Article I, Section 3, California Government Code sections 6255(a) (privacy); 6254(f) (criminal investigations); 6254(k) and California Evidence Code sections 1040 and 1041 (official information, identity of informant). Due to file size, responsive records are being provided via email with this letter in multiple PDF files.

Should you have any questions, please feel free to contact me.

Sincerely,

/s/ Shannel Honoré  
Police Support Services Manager
